Landmark “Deco” is a gathering of porcelain tile collections drawing inspiration from prestigious historical decorations and whimsical geometrical patterns. Colors and shapes intertwined, weaving charming motifs to create unique environments of contemporary design and unparalleled elegance.

“Deco World” is a line of decorations designed to provide any environment with a lively and distinctive character. Two separate collections, Portuguese and Florentine, respectively inspired by traditional patterns and contemporary geometrical motifs. Refined atmospheres achieved by creative combinations of modern looks and trend-setting styles. Deco world is the perfect solution for decorative floors and walls.

WHY CHOOSE DECO WORLD

- EASY TO INSTALL
- COST AND TIME SAVING
- AUTHENTIC MAJOLICA AND CEMENTINE LOOKS

The refined elegance and creative allure of 4"x4" tiles with the ease of installation that comes with a larger 12"x24" format. Carefully researched grout lines to amplify the authentic design of historical looks.

Deco’s surfaces faithfully replicate the appeal of small decorative formats, such as 6"x6", on convenient and easy-to-install 12"x24" sizes, impossible to tell apart thanks to the thoroughly manufactured grout lines on each tile.
Inspired by traditional artisan majolica, Landmark’s Portuguese combines the charm of centuries’ old craftsmanship with the modern appeal of contemporary design. The design of Portuguese is inspired by colorful motifs of traditional patterns, and geometrical shapes of refined and sparkling creativity. Portuguese colors are made out of a 12”x24” size tile with a dedicated 4”x4” molded grooves to replicate the ancient shape of precious Portuguese tiles.
Deco provides a variety of looks and colors, ranging from cooler atmospheres of contemporary design, to warmer, homely settings. Landmark brings new energy into the world of interior decorations, drawing from motifs of historical significance, to redefine modern elegance.

Florentine

PERFECT BLEND OF SURFACES

Inspired by handmade “cementine”
Landmark’s Florentine strikes a balance between the allure of past traditions and the appeal of modern living. Florentine is defined by its diverse color palette, its rich Italian heritage and the unique combinations of historical patterns and geometrical motifs, ultimately redefining the centuries-old tradition of decorations. Florentine colors are made out of a 12”x24” size tile with a special 6”x6” molded grooves that revisit the distinctive features of cement look tiles.

The color of tiles printed in this catalog may differ from actual tiles. Tile color reproductions in this catalog are representative only. Slight tone and shade variations are inherent in porcelain tiles. Before selecting a color, we recommend that you contact your local representative, who will provide you with a sample piece of the requested tile.

This porcelain tile product is manufactured with a V2 shade variation. Remember that the amount of color as well as the texture of each piece may vary from tile to tile. Inspect the product immediately upon delivery and select tiles from many boxes during installation to minimize and blend any possible color difference.

RECOMMENDED USE
Deco World is recommended for indoor floors, walls, countertops, and outdoor walls in light commercial and residential applications. The use of Deco World is not recommended for outdoor floors. Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20” inches or longer. Landmark recommends the use of leveler for a proper installation. Landmark recommends to install Florentine and Portuguese by following the arrow visible in the back of each tile.

CARE AND MAINTENANCE
Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit lcusa.com. For further information regarding the care and maintenance of Landmark products.

WARRANTY
Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1-2012 and in the performance specifications section of the Landmark general catalog. For more information, please visit our website at lcusa.com.
