JOURNEY

CONTEMPORARY NATURAL FEELING
A new landmark in the ceramic industry

Landmark ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America, taking advantage of the proven experience of the Gruppo Concorde, an international leader in the sector. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US made top quality porcelain tiles.

“Contemporary” is a gathering of porcelain tile collections for floors and walls that draws inspiration from modern living trends. Different materials allow for expression with renewed personality and the soul of architecture interior design with a new mood. The “Landmark Contemporary” porcelain tiles feature different surface look that coexists together with other materials while the space is decorated with the latest trends and metropolitan characteristics.

A PRESTIGIOUS COLLECTION ROOTED IN THE BOND BETWEEN MAN AND NATURE, BRINGING DESIGN AND MATTER TOGETHER TO CREATE WELCOMING ENVIRONMENTS THAT COMBINE CONTEMPORARY TRENDS TO A REASSURING, AUTHENTIC FEEL.
DIVE INTO NATURE

Feel the freedom

Shades and colors for cozy residential or commercial settings, instilling a soothing sense of relief thanks to the graceful appeal of different refined stones blended within modern architectural concrete. The freedom to imagine and the opportunity to combine colors, sizes and styles that effortlessly fit in naturally.

  - **In Stock**

**Features and Benefits**

- **Floor and Wall Stain Resistance**
- **Easy to Keep Clean**
- **Scratch and Dent Resistant**
- **Fade and UV Resistant**
- **Tile is very compact and impervious therefore doesn’t absorb. With tile you’ll never have to worry about water.**
- **Tile is made of clays and other naturally-occuring minerals and does not contain chemicals with potential adverse health effects (pvc, voc, formaldehyde, plastic etc...)**
- **Tiles are free from any PBM (Plastic Base Material) materials used in vinyl and LVT.**
- **Tile is both dog and cat scratch proof.**
- **Tile is snow and ice proof.**
- **Tile never gives off toxic fumes, even when exposed to fire.**
- **Tiles can be recycled inside the production process when not fired yet, or once they have finished their life-cycle can be used as compact base material on the contrary many plastic base material such as vinyl cannot.**
- **Tile’s inherent thermal mass reduces peak heating and cooling, which helps moderate temperature swings in your home.**
The color of tiles printed in this catalog may differ from actual tiles. Tile color reproductions in this catalog are representative only. Slight tone and shade variations are inherent in porcelain tiles. Before selecting a color, we recommend that you contact your local representative, who will provide you with a sample piece of the requested tile.

This porcelain tile product is manufactured with a V2 shade variation. Remember that the amount of color as well as the texture of each piece may vary from tile to tile. Inspect the product immediately upon delivery and select tiles from many boxes during installation to minimize and blend any possible color difference.
RECOMMENDED USE

Journey matt finish is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential applications. The use of Journey matt finish is not recommended for outdoor floors (for that application use Grip finish or Frontier20). Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20” inches or longer. Landmark recommends the use of leveler for a proper installation.

CARE AND MAINTENANCE

Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit lcusa.com. For further information regarding the care and maintenance of Landmark products.

WARRANTY

Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1-2012 and in the performance specifications section of the Landmark general catalog. For more information, please visit our website at lcusa.com.
