MILESTONE
ARCHITECTURE AND CREATIVITY

LANDMARK
CERAMICS
Dynamic and creative stone-look porcelain ceramics dictate the style of residential contemporary architectures. The collection features floors and walls with a bold and minimal appeal: veining, color shades and grain effects of different natural stones create a new contemporary interpretation of the material.

“Contemporary” is a gathering of porcelain tile collections for floors and walls that draws inspiration from modern living trends. Different materials allow for expression with renewed personality the soul of architecture interior design with a new mood. The “Landmark Contemporary” porcelain tiles feature different surface look that coexists together with other materials while the space is decorated with the latest trends and metropolitan characteristics.

A new landmark in the ceramic industry

Landmark Ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America, taking advantage of the proven experience of the Gruppo Concorde, an international leader in the sector. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US made top quality porcelain tiles.
new sensations

A strong identity and a bold appeal: Milestone combines the visual power of mixed stones, intense and waved, and the need for comfort and elegance, merging in modern living spaces with a minimal and elegant design.

incisive design
The stone look meets different material and decors for amazing style games thanks to surfaces that play with light and material.
**COLORED BODY PORCELAIN TILE**

**Features and Benefits**

**Energy Efficient**
Tile's inherent thermal mass reduces peak heating and cooling, which helps moderate temperature swings in your home.

**Scratch Resistant**
Tile is strong, hard and resistant to most type of scratches.

**Pet Friendly**
Tile is both dog and cat scratch proof.

**Resistant to Frost**
Tile is snow and ice proof.

**Resistant to Acid**
Tile is both hard and impervious therefore doesn't absorb. With tile you'll never have to worry about water.

**Water Proof**
Tile is a very compact and impervious therefore doesn't absorb. With tile you’ll never have to worry about water.

**Fire Proof**
Tile doesn’t burn, melt or give off toxic fumes when exposed to fire.

**Prevent Bacteria Growth**
Tile is completely inhospitable to bacteria. That means no mold or mildew, and a healthier home for you.

**Eco-Friendly and Safe**
Tile is stable chromatically over time.

**Fade Resistant**
Tile is stable chromatically over time.

**Doesn’t Bend**
Tile is hard and compact.

**Zero Formaldehyde**
Formaldehyde is known to lead to an increased incidence of asthma. Tile has zero formaldehyde.

**Zero Allergens**
Tile is both hard and impervious therefore inhospitable to dust mites, bacteria, fungi, mold and other irritants.

**Stain Resistance**
Tile is both hard and impervious therefore inhospitable to dust mites, bacteria, fungi, mold and other irritants.

**Easy to Keep Clean**
Tile is completely inhospitable to bacteria. That means no mold or mildew, and a healthier home for you.

**Sustainability**

**Safety/Durability**

**Easy Care**

**Versatility**
Tile is ideal for both floor and wall application indoor and outdoor.

Color shading

V2

This porcelain tile product is manufactured with a V2 shade variation. Remember that the amount of color as well as the texture of each piece may vary from tile to tile. Inspect the product immediately upon delivery and select tiles from many boxes during installation to minimize and blend any possible color difference.

The color of tiles printed in this catalog may differ from actual tiles. Tile color reproductions in this catalog are representative only. Slight tone and shade variations are inherent in porcelain tiles. Before selecting a color, we recommend that you contact your local representative, who will provide you with a sample piece of the requested tile.

---

**INFORMATION**

**RECOMMENDED USE**
Milestone is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential application. The use of Milestone is not recommended for outdoor application or horizontal exterior surfaces. Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20” inches or longer.

**CARE AND MAINTENANCE**
Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep Milestone tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit [lcusa.com](http://lcusa.com).

For further information regarding the care and maintenance of Landmark products.

**WARRANTY**
Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1: 2012 and in the performance specifications section of the Landmark general catalog. For more information, please visit our website at [lcusa.com](http://lcusa.com).
