Beautiful shiny marble-effect provides an elegant design with very exclusive colors and veining, enhanced still further with the highly shine finish that distinguishes this porcelain stoneware collection. Floors and walls give rooms a timeless luxury that today’s designers can adapt exactly as they wish.

A new landmark in the ceramic industry

Landmark ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America, taking advantage of the proven experience of the Gruppo Concorde, an international leader in the sector. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US Made top quality porcelain tiles.
This contemporary style uses the timeless appeal of marble to confer elegance and exclusivity. Charme Lux floors and walls emphasize the elegance of the space with refined color combinations, producing an exciting, up-to-date and chic atmosphere full of surprises.
