Surfaces that evoke American walnut, spaces that recall the shapes of nature. With Emotion porcelain tiles, the space dresses with sober elegance, for floors and walls to which time has given a marked identity. The surface is soft and natural. A slight and imperceptible micro texture evokes the warm feel of wood. Pleasant to the touch, profound atmosphere.

RECOMMENDED USE
Emotion is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential applications. The use of Emotion is not recommended for outdoor application or horizontal exterior surfaces. Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20” inches or longer.

CARE AND MAINTENANCE
Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep Emotion tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots.

Please visit lcusa.com for further information regarding the care and maintenance of Landmark products.

WARRANTY
Landmark guarantees that tiles ordered in accordance with the performance specifications set out in MIL-STD-810G, 810B, and the performance specifications herein will adhere to the performance qualities specified on the product sheet. For more information, please see our website.
