- **SMART CORNER**
  - C = 2.75"  
  - A = 20.5"  
  - B = 6"  

- **INFORMATION**
  - This porcelain veneer product is manufactured with a V2 shade variation. Remember that the amount of color as well as the texture of each piece may vary. Please consider requesting a representative, who will provide you with a sample piece of the requested porcelain veneer.

- **WARRANTY**
  - Only. Slight tone and shade variations are inherent in porcelain veneers. Before selecting a color, we recommend that you contact your local distributor to compare the color and tone of the porcelain veneers with those present in the colors you wish to select.

- **CARE AND MAINTENANCE**
  - Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep porcelain veneers looking good.
  - Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots.

- **RECOMMENDED USE**
  - Veneer World is recommended for indoor and outdoor walls in commercial and residential applications. Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20" inches or longer.

Please visit outdoor.landmarkceramics.com for further information regarding the care and maintenance of Landmark products.
